Faculty Coordinator	varshitha
Student Coordinator(s)	Vasritha, Harhitha
Club Name	Chem Society
Department	CHEM

3. About the Event

The Innovation Hackathon is a Technical hackathon event organized by the Chem Society, Department of Chemistry, Jain University. The event aims to provide a platform for students to showcase their innovative ideas and technical skills. The hackathon will be held on August 24, 2026, from 9:00 AM at a lab with 20-25 computers and internet connectivity. The event is open to all students of Jain University, and the participants will be divided into teams to work on a technical project within a stipulated time frame. The event will be judged by a panel of experts, and the winning team will receive prizes and recognition.

4. Objectives

- To provide a platform for students to showcase their innovative ideas and technical skills.
- To foster teamwork and collaboration among students from different departments.
- To encourage students to think creatively and develop problem-solving skills.
- To recognize and reward outstanding technical projects and innovations.

5. Target Audience

All students of Jain University, with a focus on students from the Department of Chemistry and other technical departments.

6. Expected Number of Participants

50

Refreshments	Not Required
Photography	Not Required
Volunteers	Not Required

11. Publicity Plan

The event will be publicized through social media platforms, email invitations, and posters across the university campus. A registration link will be shared with all students, and a QR code will be displayed at the venue. The event will also be promoted through the university's website and newsletter.

12. Expected Outcomes

- Students will develop innovative ideas and technical skills through the hackathon.
- Students will learn to work in teams and collaborate with peers from different departments.
- Students will develop problem-solving skills and think creatively.
- The event will recognize and reward outstanding technical projects and innovations.

13. Risks & Mitigation

Potential risks include technical issues, last-minute cancellations, and low participation. Mitigation strategies include having a backup plan for technical issues, confirming speaker and participant registrations in advance, and promoting the event extensively to ensure high participation.
