Encl: Event Proposal Document

1. Event Details

Event Name	iot workshop
Event Type	Workshop
Theme	iot workshop
Proposed Date	26 July 2026
Time	09:00 AM
Venue	block a,fet entrance
Mode	Offline

2. Organizing Team

Faculty Coordinator	Varshitha
Student Coordinator(s)	v, l, m
Club Name	Event Club
Department	BIO

3. About the Event

The IoT Workshop, organized by the Event Club, Department of BIO, Jain University, aims to educate students on the fundamentals and applications of Internet of Things (IoT). This workshop will provide a comprehensive understanding of IoT, covering its principles, technologies, and real-world applications. The event will feature expert talks, hands-on sessions, and interactive discussions, offering a unique learning experience for participants.

4. Objectives

- To provide students with a comprehensive understanding of IoT principles, technologies, and applications
- To equip students with hands-on experience in IoT-based projects and simulations
- To foster innovation and creativity among students in developing IoT-based solutions
- To create a platform for students to interact with industry experts and learn about the latest trends in IoT

5. Target Audience

Students from the Department of BIO, Jain University, with a focus on second and third-year students interested in IoT and related technologies

6. Expected Number of Participants

200

7. Resource Person Details

Name	Varshitha
Designation	Guest Speaker
Organization	External Organization
Short Bio	Expert in the field

8. Event Schedule

Time	Activity	Speaker / Lead
9:00 AM - 9:30 AM	Registration and Welcome	Varshitha, Faculty Coordinator

12:00 PM - 1:00 PM	Lunch Break and Networking	None
1:00 PM - 2:00 PM	Panel Discussion: IoT Applications and Future Trends	Varshitha, Guest Speaker

9. Budget Estimation

S.No.	Particulars	Estimated Amount
1	Venue & Infrastructure	Rs. 3,000
2	Refreshments & Catering	Rs. 2,500
3	Materials & Supplies	Rs. 2,000
4	Speaker Honorarium	Rs. 1,500
5	Contingency & Miscellaneous	Rs. 1,000
Total Estimated Budget		Rs. 10,000

10. Logistics Required

Item	Requirement / Remarks
Projector	Required
Mic	Required
Internet	Required
Certificates	Required
Refreshments	Required
Photography	Required
Volunteers	Required

11. Publicity Plan

The event will be promoted through social media platforms (Facebook, Instagram, Twitter), email invitations to students and faculty, posters and flyers in the university premises, and announcements in classes. The publicity plan will commence two weeks prior to the event date, with regular updates and reminders to ensure maximum participation.

12. Expected Outcomes

- Participants will gain a comprehensive understanding of IoT principles, technologies, and applications
- Participants will develop hands-on skills in IoT-based project development and simulation
- Participants will learn about the latest trends and applications in IoT from industry experts
- Participants will have opportunities to network with peers and industry experts, fostering innovation and creativity

13. Risks & Mitigation

Potential risks include last-minute cancellations by the guest speaker, technical issues with equipment, and low participant turnout. Mitigation strategies include identifying backup speakers, conducting thorough equipment checks, and promoting the event extensively to ensure maximum participation.
