Science

29 July 2026

To,

The Head of the Department, computer-science

The Chairperson, Technical Council

And All Concerned Reviewing Authorities

Subject: Request for review and approval to conduct Unit Test organized by Zigbee club.

Respected Sir/Madam,

With due respect, on behalf of Zigbee club, computer-science, we would like to submit the enclosed event proposal for your kind review and approval. The key details are summarized below and elaborated further in the attached document.

Event Name	Unit Test
Proposed Date	30 July 2026
Venue	fet building
Expected Participants	50

We believe this event will add meaningful value to the students and the wider academic community, and will be conducted in accordance with the university's guidelines. We kindly request your approval to proceed with the planning, publicity, and execution of this event, and would be glad to provide any further information required.

Thanking you,
Yours sincerely,

Student Coordinator

Encl: Event Proposal Document

1. Event Details

Event Name	Unit Test
Event Type	workshop
Theme	Innovation in ai
Proposed Date	30 July 2026
Time	00:18
Venue	fet building
Mode	offline

2. Organizing Team

Faculty Coordinator	varshitha
Student Coordinator(s)	varshitha, harshitha
Club Name	Zigbee club
Department	computer-science

3. About the Event

The Unit Test workshop aims to provide a comprehensive understanding of innovation in AI, emphasizing its applications, challenges, and future prospects. The event will bring together experts, researchers, and students to share knowledge, experiences, and ideas, fostering a collaborative environment that encourages innovation and creativity. By attending this workshop, participants will gain valuable insights into the latest trends and advancements in AI, enabling them to stay updated with the rapidly evolving field.

4. Objectives

- To provide a platform for experts and researchers to share their knowledge and experiences in AI innovation
- To facilitate collaboration and networking among participants, promoting the exchange of ideas and best practices
- To equip students with the latest knowledge and skills in AI, enhancing their employability and competitiveness in the job market
- To promote Jain University as a hub for innovation and research in AI, attracting potential collaborations and partnerships

5. Target Audience

Computer Science students from all years, as well as faculty members and researchers interested in AI and innovation

6. Expected Number of Participants

50

7. Resource Person Details

Name	guest
Designation	senior researcher
Organization	google,iisc
Short Bio	its an nice event about tech fest with different event in it like hackathon , ideathon and all

8. Event Schedule

Time	Activity	Speaker / Lead
9:00 AM - 9:30 AM	Inauguration and Welcome Address	Dr. Varshitha, Faculty Coordinator
9:30 AM - 10:30 AM	Keynote Lecture: 'AI Innovation - Trends and Challenges'	Guest, Senior Researcher, Google/IISC
10:30 AM - 11:30 AM	Panel Discussion: 'AI Applications in Industry and Academia'	Moderated by Dr. Harshitha, Student Coordinator
11:30 AM - 12:30 PM	Hands-on Session: 'AI-powered Project Development'	Varshitha, Student Coordinator
12:30 PM - 1:00 PM	Valedictory and Certificate Distribution	Dr. Varshitha, Faculty Coordinator

9. Budget Estimation

S.No.	Particulars	Estimated Amount
1	item 1	Rs. 5,000
2	Refreshments & Catering	Rs. 2,500
3	Materials & Supplies	Rs. 2,000
4	Speaker Honorarium	Rs. 1,500
5	Contingency & Miscellaneous	Rs. 1,000
Total Estimated Budget		Rs. 10,000

10. Logistics Required

Item	Requirement / Remarks
Projector	Required
Mic	Not Required
Internet	Required
Certificates	Required
Refreshments	Not Required
Photography	Not Required
Volunteers	Required

11. Publicity Plan

Promotion through social media platforms, email invitations, posters, and flyers. Partnerships with relevant clubs and organizations to reach a wider audience. Registration link will be shared through the university's official website and social media channels.

12. Expected Outcomes

- Enhanced knowledge and understanding of AI innovation and its applications
- Development of skills in AI-powered project development
- Networking opportunities with experts and researchers in the field
- Exposure to the latest trends and advancements in AI

13. Risks & Mitigation

Potential risks include last-minute cancellations by speakers, technical issues with equipment, and low attendance. Mitigation strategies include having backup speakers, conducting thorough equipment checks, and promoting the event extensively to ensure good attendance.
