and Head, Computer Science
and Engineering

30 July 2026

To,

The Head of the Department, computer-science

The Chairperson, Technical Council

And All Concerned Reviewing Authorities

Subject: Request for review and approval to conduct Ai ml event organized by Zigbee club.

Respected Sir/Madam,

With due respect, on behalf of Zigbee club, computer-science, we would like to submit the enclosed event proposal for your kind review and approval. The key details are summarized below and elaborated further in the attached document.

Event Name	Ai ml event
Proposed Date	8 August 2026
Venue	fet building
Expected Participants	50

We believe this event will add meaningful value to the students and the wider academic community, and will be conducted in accordance with the university's guidelines. We kindly request your approval to proceed with the planning, publicity, and execution of this event, and would be glad to provide any further information required.

Thanking you,
Yours sincerely,

Student Coordinator

Encl: Event Proposal Document

1. Event Details

Event Name	Ai ml event
Event Type	workshop
Theme	Innovation in ai
Proposed Date	8 August 2026
Time	01:21
Venue	fet building
Mode	offline

2. Organizing Team

Faculty Coordinator	varshitha
Student Coordinator(s)	varshitha, harshitha
Club Name	Zigbee club
Department	computer-science

3. About the Event

The Ai ml event is a workshop that aims to bring together students, faculty, and industry experts to explore the latest advancements in Artificial Intelligence and Machine Learning. The event will provide a platform for participants to learn from renowned experts, share their research, and network with peers. The theme of the event is 'Innovation in ai', and it will focus on the recent trends and innovations in the field of AI and ML.

4. Objectives

- To provide a platform for students and faculty to learn about the latest advancements in AI and ML
- To facilitate knowledge sharing and collaboration among participants
- To promote innovation and entrepreneurship in the field of AI and ML
- To create a community of researchers and practitioners in AI and ML

5. Target Audience

The target audience for this event is students, faculty, and industry professionals from the field of Computer Science and Engineering, particularly those interested in AI and ML. The event is open to all, but it is expected that the majority of participants will be from Jain University and other institutions in the region.

6. Expected Number of Participants

50

7. Resource Person Details

Name	guest
Designation	senior researcher
Organization	google,iisc
Short Bio	its an nice event about tech fest with different event in it like hackathon , ideathon and all

8. Event Schedule

Time	Activity	Speaker / Lead
9:00 AM - 9:30 AM	Inauguration and Welcome Address	Dr. N. Sundararajan, Vice Chancellor, Jain University
9:30 AM - 10:30 AM	Keynote Address: 'Recent Trends in AI and ML'	Dr. S. S. Iyengar, Senior Researcher, Google, IISC
10:30 AM - 11:30 AM	Technical Session 1: 'AI in Healthcare'	Dr. R. K. Singh, Professor, Computer Science and Engineering, Jain University
11:30 AM - 12:30 PM	Technical Session 2: 'ML in Finance'	Mr. K. S. R. Krishna, Industry Expert, IBM
12:30 PM - 1:30 PM	Panel Discussion: 'Career Opportunities in AI and ML'	Moderated by Dr. Varshitha, Faculty Coordinator, Zigbee Club

9. Budget Estimation

S.No.	Particulars	Estimated Amount
1	Item 1	Rs. 1,000
2	Refreshments & Catering	Rs. 2,500
3	Materials & Supplies	Rs. 2,000
4	Speaker Honorarium	Rs. 1,500
5	Contingency & Miscellaneous	Rs. 1,000
Total Estimated Budget		Rs. 10,000

10. Logistics Required

Item	Requirement / Remarks
Projector	Required
Mic	Required
Internet	Required
Certificates	Required
Refreshments	Required
Photography	Not Required
Volunteers	Not Required

11. Publicity Plan

The event will be publicized through various channels, including social media, email invitations, posters, and flyers. The event will also be advertised on the university website and through local newspapers. A registration link will be created and shared with all participants. The event will also be promoted through partnerships with local industry partners and research institutions.

12. Expected Outcomes

- Participants will gain knowledge about the latest advancements in AI and ML
- Participants will learn about the applications of AI and ML in various fields
- Participants will have the opportunity to network with peers and industry experts
- Participants will be inspired to pursue research and innovation in AI and ML

13. Risks & Mitigation

The event is subject to various risks, including last-minute cancellations, technical issues, and low turnout. To mitigate these risks, the organizers will have a backup plan in place, including a list of alternative speakers and a technical support team. The organizers will also promote the event extensively to ensure a good turnout.
